

# LET THE BELLS RING!

**Southampton Concert Wind Band** and the **Choir of Hiltingbury Junior School** are delighted to share the stage again for what is always a hugely popular Christmas Concert. This year, as ever, there is a wonderful range of music to enjoy, and sing along to. Included in The Choir of Hiltingbury Junior School's performances will be *Gaudete!*, *Walking in the Air* and the ever popular *Twelve Days of Christmas*, as well as leading the carols for all. SCWB will delight with *The Proclamation of Christmas*, *Midnight Sleighride*, *In the Christmas Mood* and many others. Join them for a glorious concert to set you in the festive mood.

**Hiltingbury Junior School** is a friendly learning community in the heart of Chandlers Ford, served by a large staff of dedicated teachers and teaching assistants. The junior school opened in 1967, initially with six classes filled with 201 children; today there are twelve classes, with 396 children.

The Hiltingbury Junior School Choir has been running since 2007 and has performed in many different settings and contexts over the years. The choir meets every week, enjoying singing a wide range of songs from show tunes to recent pop hits, rock and gospel classics. An inclusive, non-audition choir, they aim to welcome all children aged from 7-11 with only one requirement - a love of singing! The choir is led by Eve Nurdin and Zara Chambers who are passionate about singing too and enjoy getting involved in all aspects of school music and productions. After collaborating with SCWB for the last two years, the HJS choir members are excited to perform together again.

**Southampton Concert Wind Band** is a thriving organisation, playing an active part in the amateur musical community. They have shared the concert stage with a variety of musical partners, ranging from wind bands to brass bands; choirs to international virtuosi. The Christmas concert is always a firm favourite to perform. There may be some dressing up in the second half.....
